*These are the sounds of heaven saith the Spirit of Grace. For as I have sent word through My apostle, wrote these things down in the book that you would sing in the spirit and that you would sing with the understanding also, that you would pray in the spirit and that you would pray with the understanding also. So know this, that the melodious sounds that come out of your spirit are the very seed bed for change and for revival for I am truly against all of your weaknesses and everything that you could bring in as a representation of anything that you yourself or your family or those that you hold dear are fighting in this world. Know this that these sounds of heaven are preparing a way in front of you, but better yet they are preparing a way in front of Me so that I can bring what you are asking Me for into fullness saith the Spirit of Grace. Hallelujah!*

*For know this that in the process of time hearts will be glad as a child that was born, as a marriage that was joined as a family reunion and old friends reunite you will find that you will look back upon the days of small beginnings and rejoice with great rejoicing saith the Spirit of Grace. You will cherish the moments that My grace was upon you to be obedient in these hours because as a child is birthed and is shown to all who behold so in that hour the things that you birth now will be held by everyone and will be rejoiced by all saith the Spirit of Grace. Hallelujah! Glory! Hallelujah! Thank You Jesus!*

*Do not fear for in these days you will find more and more...for I said these days would come. You can find as the apostles asked me what would be the end of times and the signs of Your coming. But know that I have, as I said it is expedient that I go away for if I go not away the Comforter will not come but know that this is that has come and I have entrusted you to the same One that all the patriarchs of old made it in, carried the weight of the glory of your Father on them in this same way. So know this that in Him, in Me, that is Truth that you will find that all of the hedge and all of that which cast out all fear will be perfected in your heart saith the Spirit of Grace.*

*Know this, there is a baptism of My love saith the Spirit of Truth and many of you are beginning to walk in that baptism and stand on the threshold of the greater days of your life saith the Spirit of Grace. For the unfolding of My word and the unfolding of the miraculous and the unfolding of the very special things that you hold dear to your heart as in lost loved ones and people of tremendous report to you being born again. All this stands in that place, in that threshold which is to be passed by many of you. Seek this, to know Me, to know Me in spirit and in truth and to follow Me down the path of the love that I will continually present to you in the spirit saith the Spirit of Grace. For as you find this coming on you, as you find no respecter of persons and no partiality, you will find yourself looking through My eyes at my beloved and as you love them as I love them, as I first gave My life for them then you yourself will also find your heart willing to give yourself for the brethren and in that atmosphere know that all things are possible saith the Spirit of Grace.*

*If you would learn this simple truth and learn the process whereby you yield yourself over as willing vessels, know that I will come, I will become to you what you are believing Me for saith the Spirit of Grace. For in the beginning of your private worship that you offer to Me, every time you lift up your voice there are things to get passed. There is a conscience realm by which you can proceed but know this, too many, too many of you have offered your mind to your senses so long that it is difficult to make those transitions from the conscience world around you taking into account your life and everything that makes up your life but know this the secret, the absolute adorning of your success in this life and in everything natural is your losing yourself and yielding yourself and your members over to Me saith the Spirit of Grace. (tongues) So when you become less conscience of yourself you are really allowing Me to begin to fix the things that you stand and wait to be cleared inside of you before you think you can enter in. But know this, you are reversing the process. Allow Me to come first and yield yourself over and when you do you will find that which has been set in affect by your Father will go to full blow operation. Hallelujah! Hallelujah Jesus!*
