### **Raise up with a great hope**

*I will bless the Lord at all times and his praise shall continually be in my mouth I will say of the Lord he is my refuge and my High Tower, my God in whom I will trust, a thousand shall fall at my side and ten thousand at my right hand but it will not come nigh me. Thanks be unto God who all who always causes me to triumph for he has made me more than a conqueror. In this world you shall have trials and tribulation but, fear not for I have overcome the world. Keep your eyes upon me for I am your victory. Keep your eyes upon me for the enemy seeks whom he may devour but, I am your victory, do not look to the left or to the right, do not keep your eyes upon yourself, but look to me I am your refuge, I am you victory, I am your strength, I am your Strong Tower and I have made you more than enough, more than enough, more than a conqueror, whom shall I fear, who shall I fear for God is with me. Nothing shall separate you from my love, nothing. hallelujah praise you Jesus.*

*For the Lord would continue to speak, continue to speak. For it is my love saith the Spirit of Grace that cast out all fear, fear has torment, those that are made perfect in my love have no torment, saith the Spirit of Grace. This is the season and this is the hour that I visit you saith the Spirit of Grace. Raise up with a great hope, for I say that I come to you to destroy the spirit of hopelessness saith the Spirit of Grace. There is a spirit that is come to the church, to cause the church to seem as if it were victimized by circumstances, victimized by what come against their bodies, victimized by the financial hour in which they live in but I say unto you do not receive this hopelessness but receive the hope of the Lord Jesus Christ. Know this that he being rich became poor that you through his poverty might be made rich saith the Spirit of Grace. When I said that you were rich it was not just in finances, it was in mind and in body and in spirit and in every part of your life saith the Spirit of God. So I say unto you arise and shake off, shake off the spirit of hopelessness, look to a better day saith the Spirit of Grace. And receive that now in your bodies and receive it now in your minds and receive it now in your spirits, run and not be weary. Hallelujah to God, Hallelujah Jesus...*

### **A Sleeping Giant has Awakend**

*I say unto you saith the Spirit of Grace, choose out among you and see the heroes of faith that stand among you, for like there was in the days of old in the days of recorded history in my word that those who triumphed through the spoken word and took that which I said and conquered nations, and conquered insurmountable odds and circumstances. Know this that there are those heroes of faith, male and female among you that stand by day and by night with faith in the hearts and a word of faith in their mouth. Take a lesson and*

*follow these as I said be imitators of those who follow truth and faith. For know this that if another book was written that many that stand on planet earth would be recorded as having been those who walked carefully after my faith and did exploits saith the Spirit of Grace. Know that there is a war and there will be a war until the end a war that will not cease but know this that I have made you more than conquerors saith the Spirit of Grace. What is that? Yes sir. For much of my church cave in, they cave in and take on them self a victim mentality, because the things that they fought for and the things that they've won will suddenly reappear, come back as symptoms or come back as arguments against the mind but know this that I say unto you saith the Spirit of Grace that none of those things which I have done for you are incomplete. Did I not say that when the wicked one is cast out of a realm that he'll come back, he'll come back with threatenings and slaughters and accusations and ill-fated words and symptoms of the body but know this no matter how many times that he comes or how many times the argument reappears whether it's once or a thousand times between now and which you have caught up and taken away or by taken by the grave it is as I would say unto you now and reportedly by my word it is a matter of choice for you saith the Spirit of Grace. His report to you is not my report to you. I'll say that Father. He said the greatest one who is surprised by the devils dominion over you is the devil himself he cannot believe, he cannot believe having understood what has been paid for you and the dominion that has been given to you that you would let him rule a day, a moment of the day over your life in sickness or disease or in mental anguish see if the Spirit of Grace. For many of you lack, many of you wait for me, do not wait for me. Do not wait for me to come and do what I've already done. Many of you will wait and will not speak my word, why will you not speak my word? When you're doing nothing that's just it, it is nothing. Your hours of complacency of watching TV, of going here and going there while you're sick, why is it that you will not speak my name Jesus? Why is it that you will not get quiet? For I say into you death and life in the power of your tongue. You ask me why things have not changed in your body or in your circumstances up till now, I say unto you, you hold, you hold the answer to that the why is, why is it? I ask you, why will you not speak my name? why will you not continually say, Jesus I take dominion over this part of my life, I choose now to do these things, I choose now to exercise my place of authority know this surprise, surprise the wicked one who has been gloating over your life and over your circumstances and over your marriage surprise him show him that a sleeping giant has awakened and you will take the authority over him, saith the*
