### **Seated in Heavenly Places**

*For know saith the Spirit of Grace that in these last days everything that can be shaken will be shaken but know this that I did not leave you comfortless. For even from the beginning of time through My prophets I prophesied of a secret dwelling place of a most high God that all those who would run into that tower would find a place of safety and strength. Know this, that these are the beginning of those days but also more abundantly as I said in My word where sin abounds My grace will also much more abound saith the Spirit of Grace. So know this that as times increase in things of darkness around you that there is a place of absolute security and absolute place of solid rock standing where no matter what comes or what goes that your emotions don't have to be tied into it but rather your emotions will be seated with Me in a heavenly place saith the Spirit of Grace. Hallelujah! (Tongues...)*

*And oh know this, that not all things are settled in the natural and the last of the good kings, as you would know it to be rulers over you, has not come and gone if My church will pray saith the Spirit of Grace. So take hope and know that I have people standing already to take up the cause. To take of the cause as I said, is there not a cause and yes there are those who have taken up the cause who I will move in great reservoir of authority and power even in the political scene and the opportunity will be again to seat these kinds of people in office and bring forth a revival, a resurgence of grace over this nation saith the Spirit of Grace. Hallelujah! Hallelujah!*

### **Light Will Have It's Day**

*For this end, for this end you have been created and as these things are stirred up in you, as darkness runs it's full gamut know this that light will also have it's day saith the Spirit of Grace. When those things get darker this that is working in you presently now is working a far more exceeding great kind of work in you that the world will marvel and come to that light in these days and in the days to come saith the Spirit of Grace. Hallelujah! Hallelujah!*

### **An Anointing that Abideth Within You**

*Take these times, these times of hovering; the incubation of My Spirit to listen inwardly saith the Spirit of Grace. For I have declared unto you that you have an anointing that abideth within you and can not lie saith the Spirit of Grace. For this anointing confirms all things, directs all things, brings all of everything that I am to you with an absolute confirmation whereby which you are able to stand upon all of My promises and know the wisdom that is poured out to you as an individual saith the Spirit of Grace. For in following this type of communion I'll come for I've sent My Spirit who confirms all things to you for there is nothing that is challenging you now even on multiple fronts that He does not have a wisdom that if you will follow through intimacy He'll guide and direct you; give you wisdom and confirmation of My word on a moment by moment basis. Learn this saith the Spirit of Grace that many in yesteryear took the blatancy of My word and walked out of their tribulation but understood little about the intimacy which comes through fellowship and the guidance of He who is that continual anointing within you and can not lie whereby which I have sent him to speak the truth and confirm the way in front of you. So know this if the blatancy of My word is trusted and the Holy Spirit is leaned upon for every moment and every tribulation you'll find that something comes to you exceedingly abundantly above all that which you could think or ask saith the Spirit of Grace. Hallelujah Jesus! Hallelujah Jesus!*

### **Come Unto Me**

*Come unto Me all ye that are heavy laden and I will give you rest, for My yoke is easy and My burden is light. Do not grow weary in well doing for you will reap if you faint not. Trust in Me. I am everything I say I am. Put your trust in Me. Lay your burdens over on Me. Thank You Jesus!*

### **Father Knows Best**

*Know this, these are they who wait upon Me. For waiting in My presence reveals My strength to you says the Spirit of Grace. For all those who wait upon Me let Me instruct you on this wise. When you set yourself to know Me it's better, it's better for you to come with no agenda or nothing to be accomplished in that moment of worship but let Me take unto Myself for you those things that I desire to see accomplished in you saith the Sprit of God. For know this that Father knows best. Father knows best. And if you will let Me lavish My burden upon you then will come to pass the saying those who wait upon the Lord will renew their strength. They shall mount up with wings as eagles. They shall run and not be weary, walk and will not faint saith the Spirit of Grace.*
