Hunger Enables Me To Come

When I move for one I move for all saith the Spirit of Grace. And when I find hunger I move as far in every direction as I am allowed to go. So know this, as I monitor and watch the seasons of your heart being matured in these days, know this, that the hunger, the sowing, the sowing that has now begun to reap a harvest inside of you of great desire. Know this, that which begun this am I not able to complete this and bring it to fullness? And add way out in front the very thing that you are desiring the very end result I can come on this place where you are starting in and add strength so that the next going from glory to glory is done under great supervision and strength by my Spirit saith the Spirit of Grace. Hallelujah! Hallelujah Jesus!

I Will Exceed Your Expectations

Did I not say that I was able to do exceedingly, abundantly above all that you could ask or think according to the power that is at work in you. I am able now to come with power and trade your weaknesses for My strength. You can't even anticipate standing where you're at in the natural what beautiful things lie ahead for you, what tranquil seasons of peace and downloads of revelation of who I am and who I am to you and who I will be through you to the nations of the people that will be birthed at your side saith the Spirit of Grace. So rest assured, that like any package, like any present that is unknown what is on the inside, that the faith to yield gives Me the right of authority to enter in and give you exceedingly, abundantly above even what you are presently standing on the line for, this will go past that expectation and reveal itself in wonderful, wonderful seasons of prayer and fasting in the future. Hallelujah!

It's Always Up To You

It's always, remember this, it's always up to you how much freedom you walk in saith the Spirit of Grace. For did I not say even from the old that he shall be like a tree planted by the rivers of water that brings forth his fruit in his season, his leaf also shall not wither and whatsoever he doeth shall prosper saith the Spirit of Grace. Know this, that the flesh has nothing to say about your freedom, neither does your enemy the arch rival, nor the elements of this world for whosoever chooses to walk in the path of the first born and chooses daily to take up his cross and follow Me also chooses the path of death, but in that death know this, that there is wellspring of life hallelujah, that springs up continually into everlasting joy and peace saith the Spirit of Grace. Hallelujah!

Your Purpose Is Sons And Daughters

Know and understand that I have you here on this planet for a reason and for a purpose. The pleasure that you bring Me first in the place of intimacy was My first plan for you as a Father. But know this, as a Father know that treasury, the respect of heaven is all of those who've come, the sons and daughters and joined themselves to Me in this place, who throughout the ages have heard and received and taught others to receive. So know this, the greatest joy in this life that you live is to give birth to sons and daughters. Know that in the spirit your purpose for being is ready; it is ready to come online to the place where you live your life to the fullness, in the midst of persecution, in the midst of despair around you. Your crowning achievement will be to watch them come in and gather themselves and throw their self down and cry out for mercy and you declare unto them whosoever sins are remitted, they are remitted unto them saith the Spirit of Grace. Hallelujah! (tongues...)

For do not, as intercessors and those standing for family members look at their faces, nor hear their voices but speak unto them almost oblivious to their response, set it in yourself to hear only what I am saying and speak to them and about them to Me concerning them coming in so that in these last days without any sign that you see in the natural, for you've waited for some turning in the natural to give you some kind of hope, I say do not rest in the hope of the things that you see but rest in that which is invisible taking place by My Spirit saith the Spirit of Grace. Do not listen to their responses, nor watch their facial expressions, or their actions but go about as if that which you are seeking Me for them is accomplished saith the Spirit of Grace. Hallelujah! Hallelujah Jesus!

The Purging Will Not Be Painful

For I am coming to you, know this, that this that I am asking of you, you are able to do saith the Spirit of Grace. And even though I have been pleased with your life hitherto fore and said yes with a great applause of My affection I desire to bless you more than I desire to be blessed. So if you will let Me in My coming, if you will let Me in My purging, the hurt of it will not be hurt. You will only notice a slight misgivings here and there, but as you give yourselves over to Me I promise no sooner will you have given up one level of what you call freedom that I will fill that void with a great place of peace and more of who I am which will cause you to run in the earth with great prosperity saith the Spirit of Grace. Hallelujah!
