## The Family Prayer Center

Dear Friend;

December, 2015

Candy and I want to thank you so much for your financial support in 2015. For many years now we have had one single purpose in heart and mind, that is to see "His kingdom come and His will be done in earth as it is in Heaven". For us here at the Family Prayer Center in Immokalee, Florida, that interprets to mean a great harvest of souls in Southwest Florida.

One of the words that we use that helps describe this harvest, is the word Revival. Revival in our vernacular has come to mean a harvest of souls coupled with miracles (supernatural signs and wonders). Something that would look very comparable to the original church in the book of Acts.

Through the years we have seen a continue progression towards this spiritual goal. The year of 2015, was no different. Although we faced challenges at times, we continued to progress through God's grace towards his directives for our ministry. Lives were changed, miracles took place and people were filled with the Holy Spirit.

You're giving into this ministry made you a part of every good thing that God was able to do here. Whether you were in our actual services or not, you became a part of every good thing. So thank you so much!

We saw other accomplishments as well. For many years now we have been restricted in our praise and worship services to using only pre-recorded worship music. This was primarily due to not having the musicians that God would eventually raise up for his purpose. Although worshiping with pre-recorded music has worked great for years, there has been something wonderful added through, now having live music.

Looking to the future, we believe that 2016, is going to be another wonderful year of progression towards God's directives. One of the main things that God has challenged us to believe for in 2016, is launching into the camera/video ministry. Eventually, progressing into live website streaming of our services.

Please remember to make access to our present on-line audio services at [www.broncflint.org](http://www.broncflint.org). These services are posted at our website each week and will keep you current in what God is doing here at the Family Prayer Center in Immokalee.

Again, I want to thank you for your gift or gifts in 2015. I also want to thank you in advance for your possible gifts in 2016. Instructing this: only give out of that which you purpose in your heart or hear from the Holy Spirit.

Your friend and family,

*Jesus is Lord...!*
