**The End Time Church**

Dear Friend,

July, 2019

I am more excited today than ever before about our true to life potential of seeing a revival that looks just like the one in the book of Acts.

For many years I have had a question of why it seemed to take so long in receiving a revival of power comparable to the book of acts.

The question in point would be “why all of the years of confession, fasting, praying, meditation of the word and so many other spiritual exercises that has not yet yielded the full glory of that outpouring when it just seemed to start naturally from the beginning with the first apostles”?

The answer to this dilemma lies in the words of Jesus’ teachings to the church and specifically in regards to his comments about the “End Time Church”.

Jesus was asked by his disciples when the end of the world would come.

Mat 24:3 And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be and what shall be the sign of thy coming, and of the end of the world?

In answer to these questions Jesus gave some remarkable answers but one of them speaks specifically to the subject matter of this teaching.

Mat 24:14 And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.

Notice that Jesus said “this gospel” shall be preached. He was saying that the gospel message that he taught was the one that would be taught for a witness to all nations and then the end would come. This was the true gospel. The gospel of absolute change; The gospel of absolute freedom and dominion over sin. The gospel of absolute dominion over all the works of the devil including sickness and disease and then the end would come.

We could say it like this, ” when the true gospel is preached to all the nations then revival will follow it and that will be the end of this age”.

I am convinced that the world for many centuries has not been hearing the true gospel of Jesus Christ. The gospel that has been being taught is a mere phantom of the original gospel that Jesus originated.

*Jesus is Lord...!*

Jesus cannot and will not add his authority, anointing and the power of the Holy Ghost to anything less than what he left as the perfect standard for this gospel.

Even those of us who love him and have tried to follow him with a perfect heart are finding that so much of our teaching of the gospel has had shadows of gray in it that did not match what Jesus left!

OH BUT! Thank God all of that is changing through the power of his word, new nature and ministry of the Holy Ghost. We are in a transformation of a GREAT AWAKING!

Rom 13:11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed.

1Co 15:34 Awake to righteousness, and sin not; for some have not the knowledge of God: I speak this to your shame.

Eph 5:14 Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light.

In recent years there has been a transformation by revelation that is beginning to awaken us to a standard of righteousness that has always been a part of who we really are in Christ.

It has not been the installation of righteousness but rather the awakening of who we were created to be and live in him from the very moment of conception.

Throughout history there have been moves of God that have been called "The Great Awakenings" in which God would stir his church back to him but still there has never been the full awakening since the book of Acts.

You and I are uncovering with every passing day what this true gospel looks like through the eyes of its founder.

When the 2019 gospel model looks and practices the first century gospel model of its founder, LOOK OUT!! because revival will be here.

Thank God that you and I are right in the middle of this great awakening.

Thank you so much for your love gift to this ministry during this past month.

Candy and I love you and are so thankful for your ministry to this vision.

Blessings, Pastor Bronc
