**The heart cry of Heaven**

Dear Friend,

October, 2019

The heart cry of Heaven in these days is a call to come away into a separate place of communion with The Lamb.

Son 2:10 My beloved spake, and said unto me, Rise up, my love, my fair one, and come away.

The separated place of communion that he is asking us to come to is no less than extended times of prayer, worship and praying in other tongues.

It seems that the closer we get to revival that Heaven is sending out a beacon message to the hearts of all those who have ears to hear what the Spirit is saying.

The heart cry of Heaven is souls for the harvest and the souls that will be harvested will come about through the prayers of God's Saints.

You and I have received a particular call from the Lord that cannot be produced except through supernatural means. The supernatural cannot be produced except through prayer and fasting.

Our Bride Groom, who is Jesus is very jealous over us in a Godly sort. He desires all of our attention in these days for the purpose for which he has called us. He has an investment in us, and he is counting on us as the end time army of the book of Joel to truly bring about this last great harvest.

Deu 4:24 For the LORD thy God is a consuming fire, even a jealous God.

Joe 2:18 Then will the LORD be jealous for his land, and pity his people.

Our mandate from Heaven is to go far enough into God (through prayer, fasting and the word) to pull out a supernatural outpouring with signs and wonders that will follow.

You and I are hand-picked, selected from Heaven. Not because we of ourselves are above any other group of Christians, but because we have chosen to obey the particular call he is given to our lives.

No one can replace you. No one can fulfill your ministry, except you and it all starts in a place of prayer and intimacy with the Father.

*Jesus is Lord...!*

There are great masses of people that will soon appear on the horizons of our lives. These people are the children of the harvest. They will come for salvation. They will come for the miracles of healing, restoration and deliverance.

When these people come and are changed before our eyes, the Lord will speak to us within our hearts and confirm that these are the offspring of our prayers.

There will be no greater joy in your life and mine than to see people restored spirit, soul and body and to hear God say to us” you brought this about because you were obedient to go into the prayer closet”.

Thank you and blessings,  
Pastor Bronc
