Vision for God's Destiny in the Earth

Dear Friend,

December, 2019

This is the season for thankfulness and for the joy of friends and family. I am so thankful that you and I are joined, together in a vision for God's destiny in the earth.

That vision is no less than to see the total restoration of the kingdom of God in the earth. That kingdom looks just like the one that Jesus left when he ascended to be with the Father. It is filled with power and glory. It can raise the dead, heal the sick and restore lost souls back to the God.

I believe that I can speak for all of us when I say that the hunger to see the full manifestation of his glory is growing at an all-time high. You and I desire to see his glory back in our churches, homes, businesses and on the streets of our cities across America. This is called REVIVAL.

Recently I taught a message in which I reminded the people that the vision inside of us must be like a parable or a story imagined that has its own life of God in it.

Hebrews chapter 11 says,

Heb 11:17 By faith Abraham, when he was tried, offered up Isaac: and he that had received the promises offered up his only begotten son,

Heb 11:18 Of whom it was said, That in Isaac shall thy seed be called:

Heb 11:19 Accounting that God was able to raise him up, even from the dead; from whence also he received him in a figure.

The word (figure) in verse 19 is the word parable. It is the same word used in the gospels to describe the parables of Jesus.

What Hebrews is saying is that Abraham created a parable or a narrative inside his heart to imagine God raising up his son Isaac from the dead if he should have to truly sacrifice him to God.

I believe that God is creating a powerful parable or narrative in our hearts every day of the coming revival. We are seeing with the eye of our heart what is coming. The blind will see, the lame will walk, and sickness of every kind will be healed. Thousands and thousands of people will be born again in this revival.

Candy and I want to thank you for your financial support in this past month for this ministry. Your financial support helps to keep the parable alive and well in all our hearts.

Jesus is Lord...!

Blessings, Pastor Bronc
