### Happy and Blessed New Year

Dear Friend,

January 2020

Happy and Blessed New Year! This is a year of destiny and purpose. You and I are destined in this year to do wonderful things for God. Our purpose is for the great harvest of souls that God desires to see come into his kingdom. God our Father has a direct plan of action or blueprint for each of our lives to fulfill his destiny in 2020.

Jesus spoke these words to his disciples.

Joh 16:12 I have yet many things to say unto you, but ye cannot bear them now.

Joh 16:13 Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

Jesus was saying that he could not tell his disciples everything that he wanted to tell them at that time but when the Holy Spirit arrived he was going to guide them into "All TRUTH". What this meant was that the Holy Spirit was going to guide them into all of the truth that Jesus had left them in his doctrine. It also meant that he was going to guide them into every truth or plan that God had for their personal lives. The Holy Spirit was going to become a personal guide into the blueprint that God has for each of his disciples.

God has a blueprint, or you might say a "detailed plan of action" for each of our lives in this new year. Jesus also described the Holy Spirit as the one that would show us things to come. The reason why the Holy Spirit will give us glimpses of the future is so that we can work with him in obedience to fulfilling God 's perfect plan for our life.

The Bible tells us in the book of Jeremiah that God thinks about us with a beautiful purpose.

Jer 29:11 For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.

It is a proper interpretation to understand that his thoughts are also his plans for our life. The Bible also describes how often God thinks or plans for our future.

Psa 139:17 How precious also are thy thoughts unto me, O God! how great is the sum of them!

Psa 139:18 If I should count them, they are more in number than the sand: when I awake, I am still with thee.

Just think about this. Our Father God has an innumerable amount of thoughts and plans for our life that he has sent the Holy Spirit to reveal to us. Those thoughts and plans

*Jesus is Lord...!*

involve every intricate part of our life. God's revealed plans become a roadmap or blueprint for our life to fulfill our destiny.

One of the ways that God speaks to us is through his present-day speaking prophecies that he gives to the church. His prophecies help to become part of our corporate and personal blueprint.

When Paul the apostle spoke to his spiritual son Timothy, he encouraged him to use the personal prophecies that God had given him to war a good spiritual warfare.

1Ti 1:18 This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightest war a good warfare;

God has recently given to our church eight blueprint prophecies that will help guide us into the coming year. I believe that these blueprint prophecies will also help serve as a guide for your future in the coming year. I have challenged our church to listen to these prophecies as many times as possible. In fact, to those who really wanted to get them into their spiritual thought life I have challenged them to listen to them up to 30 times. I know that this can sound like a lot but for anyone who decides to take the challenge they can consider spacing them out over the next month or however God directs their life. We have tried to make this as simple as possible for anyone who wanted to engage in listening to these prophecies. You can find these prophecies on the front page of our website. It will be listed as Blueprint for 2020. Those prophecies are there in MP3 format and PDF format. So, all you have to do is press the MP3 and listen. You can also print the PDF for reading purposes if you would like.

Candy and I want to thank you with all of our hearts for your giving into this ministry in past month. We are together on a clear path of destiny for the purpose of revival. Thank God for the blueprint that he's laid out in front of us.

Blessings,  
Pastor Bronc
