## Welcome to 2022

Dear Friend,

Welcome to 2022! The Lord recently said to us through a word of prophecy that 2022 is a year of Possession.

When God prophesies of certain blessings that will come in a particular year, it is not because He has sovereignly chosen to bless that year as a result of some kind of magical calendar date.

However, wanting something to happen has influenced many so-called prophets to prophesy out of their own heart's desire, rather than by the unction of the Holy Spirit.

When God tells us that significant things are about to happen, it is not because His sovereignty alone is bringing it to pass. It's rather that the authority of His Church (the Revivalists) has reached a tipping point by which God can bring certain things to pass. This authority is reached through obedience and intercession regarding His previous instructions.

The very first thing that God said to Joshua as the new commander of Israel, was "Moses my servant is dead."

**Jos 1:1** Now after the death of Moses the servant of the LORD it came to pass, that the LORD spake unto Joshua the son of Nun, Moses' minister, saying,

**Jos 1:2** Moses my servant is dead; now therefore arise, go over this Jordan, thou, and all this people, unto the land which I do give to them, *even* to the children of Israel.

**Jos 1:3** Every place that the sole of your foot shall tread upon, that have I given unto you, as I said unto Moses.

When God told Joshua that Moses was dead, He was not just giving him information. God was telling Joshua in all essence that the old was passed away and something new was about to begin.

The baton of leadership from Moses to Joshua was being passed through the announcement that the old was dead (or gone) and the new was about to begin. Moses had brought the law of God, and a great deliverance from bondage for Israel. Now, it was the time for possession. God was not saying to forget Moses, but rather that a new administration had begun. An administration that was anointed for possessing the land, for possessing territories that had never been seen or experienced before.

2021 IS DEAD!

Now, it is not dead in all of the spiritual ground that we have won through obedience on our way to Revival, but it is dead in the essence that we cannot stop at any place until we reach the full possession of the outpouring. Every victory in 2021 is still ours. Every temporary defeat experienced then only empowers us now with more determination not to look back, but to proceed further until we reach the promised land of REVIVAL!

Recently, we have been given two significant prophecies here in Immokalee. I feel that both of these prophecies help point a directional compass towards 2022. The first prophecy was given on December 12th and is titled "It's You or Else, I Have No Plan B." The second prophecy was given on December 29th, the last church service of 2021, and it is titled "2022 is the Year of Possession."

At the close of this letter, I am going to include both of these prophecies. They are quite lengthy, but I want to make sure that each of you have access to read what God has said. Both of these prophecies can also be accessed at our website in the prophecy section. They are there in both MP3 and PDF format for your convenience.

I encourage you to read through these in the coming days slowly and precisely, and ask the Holy Spirit for His commentary to you personally for the coming year. I'm going to give a short list of some of the significant things said in these prophecies only as an advertisement, hoping that you will look deeper into these prophecies as time allows.

- A redefining of the Church is coming.
- The burden of the Lord will be placed upon us.
- Inconveniences for the purpose of Revival are coming.
- Our time will be multiplied for the purpose of more prayer and intimacy.
- Don't ask for this if you are not serious.
- Do not settle for second best.
- Subtle attacks will come to divert.
- Take no other route.
- Stay in God's presence, fastings, and prayer.
- Increase what we are doing.
- Never get hardened to the Message.
- We are God's hope in the earth.
- God has no second plan.
- Lay down excuses.
- There is no plan B.
- It is us, or else Revival will not come.
- Take this all the way to the end.
- Visions, dreams, and angelic visitations will increase to the spiritually mature.
- Things that happened in the book of Acts will begin to increase.
- God is building up His spiritual forces around us for the purpose of Revival.
- Notable miracles will mark this year.
- 2022 is a year of possession.
- Coming through the fires of purging is coming to a temporary close for the purpose of expansion.

2022 will not be without spiritual warfare. The purging process is always a part of our mortification, but I believe that we have a promise of possessing things in the spirit that we have never seen before. May God expand your spiritual tents in 2022 to possess the gates of your spiritual enemies and take the promised land of Revival!

I want to thank you with all my heart for everything that you gave spiritually and financially in 2021. We saw a year of spiritual expansion and you were a major part of that. Candy and I love you and appreciate your ministry so much. May God's blessings rest upon you!

Blessings,  
Pastor Bronc

**It's You or Else, I Have No Plan B**  
Prophecy211212 – December 12, 2021

There is coming a redefining to humanity of what the Church is, and the true message of Christ. This will not be seen to start with by the multitudes, but is growing in places and secret places across the land, and in private places of worship and small gatherings. People that are asking for more of Me, I'm coming in their lives and placing upon them a burden that they will not be able to escape. Do not ask for this – do not ask for more of Me, says the Spirit of the Lord, if you are not serious. Because I will come to you and I will invade your life, and I will even at times inconvenience your life for more of Me, says the Spirit of the Lord. For those who ask, and those who seek, and those who knock, they will be answered, they will find, and it will be opened unto them. But the defining of how I will come to start with for many of you will be a difference in your life that will redefine many places of your life.

Some are in a quandary, believing that your heart is petitioning Me for more of Me, says the Lord, and yet not fully persuaded if you're able to make the journey of commitment and inconvenience. But I say unto you that for those of you that will invest yourself, I will multiply your time. What took you hours will only be moments. What occupied hours of brain time and searching will come through My authority. And much will be given to you to dictate through the Spirit and to accomplish more, even to the extent that more time will be given to you, that you'll have leftover time. The temptation will be to do more in the natural with what time you have. But I say unto you, says the Spirit of the Lord, that I'm going to sow in your life the benefits, and you'll reap the benefits of having more authority over your time. Use your time wisely and redeem the time, says the Lord. Spend more time in presence, and in intimacy, and in fellowship with Me, says the Spirit of the Lord. For I'm seeking to redefine what Christianity looks like.

The world has seen a powerless, sin-filled Church that is more of a country club and something to belong to than a viable, spirit-filled, righteous, walking Church filled with Jesus. Many of your friends and many of your acquaintances do not even know that you go to a place like this that is seeking an outpouring to change the world. That is going to change. Do not ask for this unless you're ready to be inconvenienced. But you will at some point have to make a choice. Either you'll harden your heart and live in a place where you make up your mind to settle for second best, or else you will choose to go all the way with Me, says the Spirit of the Lord.

Some of you and even many of you that are standing here today will not be here in time to come. You'll choose another path. You'll choose a more convenient path. But for those who will stay, the reward will be great. Do not settle in these final hours for anything less than perfect, says the Spirit of the Lord. As I have said in another place that a very subtle attack is coming, I will say in this place, I will herald that and say a second to that, that there is a subtle attack coming to the Body of Christ, to those who are called revivalists. Do not settle for second best. Do not go another way, do not choose another purpose, do not figure out another route. Stay in My presence. Stay in fastings. Stay in prayers. The earth has never seen in two thousand years a group that will emerge like you will emerge.

I am not saying to you that you will get smaller, but if you do get smaller, if this House gets smaller and even whittles down to even a smaller number, do not fear and do not relent. Increase, increase, increase, increase, increase, increase, increase, increase, says the Spirit of the Lord. Do not say within your heart, "I have heard these things before, and oh, I hear them being said again today." Do not harden your heart, says the Spirit of Grace. For these things are being said to you because I love you, and because I have found a place within your hearts as a group of people that I can say these things. And if a man bears fruit, did I not say that I will come and purge that man, that woman, that they would bear more fruit? says the Spirit of Grace.

You are My hope in the earth. I have no second plan. For those of you that are watching and those that are in here, this is all one prophecy to everyone. (And as He said to this group, so He says to you, many of you that are watching,) some of you, if you do not garrison your hearts, you will not be here a year from now. But I will keep you, says the Spirit of Grace. I will hedge you in. Some things are coming that will sparkle, and some things with glitz, and some things that will resemble almost the closeness of power that we are seeking God for. It will have a great resemblance to this calling. And yet I say unto you, do not take that door. Do not take that door, don't go [down] that path. The doctrine is not as sure. The path is not as filled with righteousness and godly integrity. Stay on this path, says the Spirit of Grace. This is the path of the apostles. This is the path laid down by the foundation of your Apostle, the Lord and Savior Jesus Christ. Do not choose the easy route. I will vitalize, I will bring vitality to your spirit. Don't be lazy in your spirit. Don't take the easy route. Don't expect someone to do it for you. He who has ears to hear, hear what the Spirit has to say.

I'm calling all of you as sons and daughters, as priests and priestesses, to stand before Me. Whatever your part is on a daily basis, it's vital to this. You add to the river. Your stream adds to the river, says the Spirit of Grace. It may not be the hours that your pastor is praying, it may not be the hours that some of your leaders are praying, but if you are obedient, truly obedient to what I've asked you to do, then you're doing your part. But lay down excuses. Lay down excuses of why you cannot pray, why you cannot be in church more. Lay down excuses. For many of you have said, "I've received this clearance from the Lord. I've heard from God." Go back, and recheck the voice. Now that you are more mature and deader – none are completely dead yet to the things of the flesh, not even the one speaking presently – but the more dead you are to the flesh, the clearer My voice comes. You have two voices speaking to you, [and one is] the voice of the flesh which will often describe or camouflage itself as the voice of the Spirit. But the deeper you go in Me, the more you will be able to distinguish whether it is you pacifying your flesh and giving it an excuse of why you cannot pray more, or whether it is truly My Spirit giving you a good conscience concerning the activities of your life.

Follow Me in the days ahead. You have no idea how much I need you. You call upon Me and call Me Lord and Master, and so I am, says the Spirit of Grace, to provide for you. But I turn

to you and say, I have no hope on the earth except you on this plane. This is your part. This is your assignment in the earth, to receive this outpouring. Much of My Church will never progress past programs. And I will bless them a hundred fold where they're at, but they will never progress. It will do you no good to look at certain churches and say, "Lord, pour out Your Spirit," because some of them, though the pastor is saved and the people are saved, they'll never go past programs. That's all they'll ever see, and I will take a great multitude in the Harvest from them. But understand this, if you have heard with your ears this journey, then you've heard, "Come up higher," says the Spirit of Grace. And for you, I'm laying My hand upon you to come up into a place where your eyes see. They see the truth, and your ears hear the truth, and you will never be satisfied with programs, says the Spirit of Grace.

You are My prize in the earth, and all correction that I ever give you, I give you desiring for you to know My affirmation, and My love, and My hope for you. There is no plan B. There is no secondary choice. Many have said that "If I fail, then the Lord will raise up someone behind me." This is foolishness, says the Spirit of the Lord. For when I take a man or a congregation and groom them for twenty, and thirty, and forty, and fifty years, and bring them to a place of fruition where they can bring forth, if they stop their journey or if they turn, or if a man called or a woman called stops and turns aside, I have no other plan. For I have groomed them for decades for a purpose. I cannot raise up overnight someone that has no knowledge, someone who has no strength in prayer, someone who is not grown up in maturity. It's you or else, says the Spirit of Grace. If you fail in this assignment, then it will be many, many, many, many more decades for this region. For the time is now, and the time is short. Stay in your place, and stay in your assignment, says the Spirit of Grace.

**2022 Is the Year of Possession**  
Prophecy211229 – December 29, 2021

All the way, says the Spirit of Grace. Take it all the way to the end. And for many in this place and for many who are watching, a light has appeared in the darkness, and a compass has begun to arise in your spirit of the reality of what it takes to go all the way. And when this revelation is accompanied by a grace to take you in, says the Spirit of the Lord, do not push and shove of your own self as if to make your way, but know that the grace that you feel in the call to come apart is also an empowerment to lay down your life, to see things that you have never seen and to experience things that you have never seen, says the Spirit of the Lord.

Visions and dreams and even open visions will be being experienced by the qualified, by those who are living in a place of maturity wherewith I can come and expand what I am doing in this house [church] and in other houses [churches] like this. Open visions and seeing things in the Spirit realm that will empower your going forward will become more and more the order of the day, says the Spirit of the Lord. And everything that accompanied the Book of Acts, those who were coming into the fullness, as in visitations of My Spirit, angelic visitations and everything necessary for this to take place, understand that there is a bulwark in the Spirit that is happening around you, says the Spirit of the Lord.

What I am saying specifically is there is a building up around you of My force and of angelic hosts, and the Holy Spirit is receiving instructions through your prayers to the Father, and the Father and the Lord of the Church giving instructions for the things that will be being instituted and taking place in the recent months to come, says the Spirit of the Lord. 2022 is a

year of possession, taking some property, some real tangible spiritual property in the Spirit, says the Lord.

This year will be marked with certain notable miracles that will testify that things have changed, and there is a switching over in the Spirit from a place of birthing from out of the flesh to a birthing out of the spirit, says the Spirit of the Lord. Think not this thing to be hard, for those who lean into it will find an ease. Those who reject it or try to contemplate a compromise will find that their flesh fights them all the more. But I say unto you, give over to instructions that you receive from Me personally and that you receive prophetically, says the Spirit of Grace. For this year that is coming will be marked with much more notable miracles and things taking place in the Spirit that could not have taken place up until this point.

The next phase of having come through the fire of purging is coming to a place of closing for a while so that there can be an expanse of growth in the spirit and authority, says the Spirit of Grace. You will try out your wings, as it were, having come through the fire, and find that there is much more accessible now through your authority than what was even a year ago, says the Lord. And for those who will do it and follow it, it will only encourage you and entice you to come apart and spend more time in My Presence, says the Lord.

For many of you under the sound of My voice think of yourself as what you do for a living to be who you are, and your occupation to be your identification, but I am saying to you that what you were actually birthed for on planet Earth is about to be revealed to you and is being revealed to many even tonight. I will show you how to live in both worlds, the natural and the spiritual. But if there ever was a time for you to say, "Lord, whatever I can lay down time-wise in the natural," it is now, says the Spirit of the Lord.

Let Me come and judge everything, and I will help you make this final part in your journey, says the Lord. You could have never heard these words five years ago, but now, because of the levels of death to the flesh and of desires of your heart, I am able to come and speak these words.

Thus, says the Lord: Do not put your eyes upon people around you or people in the church around you or people from other ministries around you that are not moving forward like they should or like you think they should. Understand this, that it is not a caucus of numbers that brings about the fullness of My Kingdom in Revival. Some have slacked up even in this church. And some are not where they once were, and some are further. But for the ones who have slacked up, understand this: take no discouragement because they cannot hold back or abate My outpouring and the authority that I am working through those who are moving forward, says the Spirit of Grace.

Put spiritual blinders on your thoughts. Do not think, "Well, this one is not moving or this one is backing up." It has nothing to do with My ability to bring forth through those who are consecrated for the purpose of Revival, says the Spirit of Grace. You who have ears to hear, stay steady and ask Me to put blinders on you so that all that you see is the end result, says the Spirit of Grace.
