Behind Enemy Lines – May Letter 2023

Dear Friend,

I find myself today within a group of people inside the Church at large. This group is headed to an actual spiritual place that they have never been before. This group also has no present-day living witness of the place that they are seeking. In other words, there is no pilot group as of yet that can teach others how to arrive at this place. The only roadmap that we have in regard to arriving at our destination is the witness of the Word of God. Only the Word of God records our destination in explicit detail. Sometimes, I see this group somewhat like Abraham who, while wandering in the wilderness, was seeking a spiritual city that was beyond his present knowledge.

Heb 11:10 For he looked for a city which hath foundations, whose builder and maker *is* God.

The destination that I'm speaking of is, of course, the spiritual outpouring that we term Revival, and will ultimately bring about a great harvest of the planet. Inside this Revival are all the recorded miracles of Matthew, Mark, Luke, John, and the book of Acts. There must be a demonstration of power of our gospel for this 21st-century generation to believe that it is real.

The group that is quickly emerging are what I would term Revivalists. These are the sons and daughters of God who have purged themselves of secret sins and are continuing to allow the Holy Spirit to mortify the remaining parts of their flesh in preparation for the great power and authority that will be wielded as a sword in these last days.

This group has already fought the great war with the flesh to live their own lives, surrender to the apostasy of the present-day church, or to believe the lie that Revival will never happen. Now, they are ready for THE NEXT AND FINAL WAR.

Recently, the Lord spoke to me and said, "The war has changed from flesh to devils. The Revivalists have crossed a line from a warfare of flesh to a warfare of devils." He also said that a generalized preaching of the Word would never take this group to their final destination of Revival without prophetic insight as to what was going on behind enemy lines. In other words, the Church must have spiritual intel from the Holy Spirit to know what Satan and his army of demonic powers will be unleashing against us to stop our march towards Revival.

Spiritual intel by the Holy Spirit to His prophets concerning enemy movement is nothing new. I am reminded of the Old Testament example in the book of 2 Kings. The storyline is that Israel and Syria were at war with each other, but Israel had a prophet named Elisha who could hear from God.

2Ki 6:8 Then the king of Syria warred against Israel, and took counsel with his servants, saying, In such and such a place *shall be* my camp.

2Ki 6:9 And the man of God sent unto the king of Israel, saying, Beware that thou pass not such a place; for thither the Syrians are come down.

2Ki 6:10 And the king of Israel sent to the place which the man of God told him and warned him of, and saved himself there, not once nor twice.

2Ki 6:11 Therefore the heart of the king of Syria was sore troubled for this thing; and he called his servants, and said unto them, Will ye not shew me which of us *is* for the king of Israel?

2Ki 6:12 And one of his servants said, None, my lord, O king: but Elisha, the prophet that *is* in Israel, telleth the king of Israel the words that thou speakest in thy bedchamber.

God showed Elisha the troop movements of the Syrian army against Israel multiple times. The king of Syria was so enraged that he actually believed he had a spy embedded within his army. But one of the king's counselors told him that the prophet Elisha was actually hearing the very words from God that the king spoke in his bedchamber, meaning his actual bedroom. What this means is that every whisper of counsel from the enemy against Israel was being reported. Israel had intel behind enemy lines! How much more will the Holy Spirit do for a group of people who have crossed a line from always warring with the appetites of the flesh to a spiritual war with devils that will result in Revival?

Recently, the Lord had me share a series of messages in which He spoke to me personally concerning the troop movement of demonic powers against the Church. As I said in these teachings, this is not an exhaustive list, but a specific list given to me by the Holy Spirit. The Lord said in essence that the enemy is going to come with a resurgence of certain attacks to try to subvert the confidence of the Revivalist. His main objective will be to diminish their confidence and question themselves in their place of gained dominion over these areas. He would love to re-seed these strongholds back into our lives if it all possible. This is the list below. Remember that these attacks do not necessarily have to be against you personally, but could and most likely will involve your family as well.

1. Infirmity
2. Division
3. Lust and Perversion
4. Another Gospel (something a little different than what we teach)
5. Diversions
6. Lukewarm (allowing our first love for Christ to wain)
7. Excuses
8. Destruction of reasonings and emotions

The Lord spoke this past Wednesday night in our service with this prophetic word. I believe that it accentuates the teaching above.

Our Weapons Are Not Carnal
Prophecy230503 – May 3, 2023

For did I not say in My Word and by My Spirit that the weapons of your warfare are not carnal, made up of carnal things, reasonings, perceptions of the flesh, being able to understand things through the mind and through those things perceived around you? But the weapons of your warfare are mighty through My Spirit to the pulling down of strongholds, casting down imaginations and every high thing that exalts itself against the knowledge of God.

For know that the enemy is stirred up against this place and against your determination to walk in. But do not fear, little flock, for I've called you. And if I've called you, then I've exalted you to a place to rule and reign with Me not only in the eternities to come, but present tense. Did I not tell you to be wise as a serpent and harmless as a dove? But this wisdom cannot come through a perception that comes by the outward senses. Do not trust your outward senses. Do not put stock in feelings, emotions, or reasonings of the mind. But I say unto you, judge all things by My Spirit.

Listen. Let peace, let your spiritual feet be shod with the preparation of the gospel of peace which is the witness of peace inside of each one of you that follows me on this journey into the fulness of God. For humbling yourself and denying the flesh or the mind the opportunity to reason all things out will be to separate yourself moment by moment when necessary, and step out of the fray and judge all things by the Spirit and say, "Lord, I see only by Your eyes, I hear only by Your ears, and I will confess only by Your mouth," says the Spirit of the Lord.

For the Church at large gropes blind in darkness, although they say they can see. But they live out of carnality, not just in the appetites of the flesh but in the judgement of the things around them, not seeing spiritual things or hearing by My Spirit. But denying the flesh is not just shutting down appetites of the flesh, but denying the flesh is [not] giving it any room for spiritual judgement. It cannot sit on the court of spiritual judgement. It cannot sit on the place of jury to make any decisions. All final authority and all final decisions come from My Spirit and out of My Word, says the Spirit of the Lord.

So, I'm raising you up for this hour. Hear what the Spirit would say. Hear what the Spirit would say. Your weapons are not carnal, but they are mighty through God. They will exalt you. Mine is for you to walk in a constant peace. Know that when you feel yourself wavering in peace and feeling the effects of the hour that you're not ruling entirely at the moment out of the spirit man inside of you. Regroup. Regroup, says the Spirit of the Lord. Continue to regroup, and you'll learn this place of constant, continual, everlasting peace, says the Spirit of Grace. And by this, by this will be the which I'll bring forth a great outpouring with people who against the enemy will stir up his vengeance, but [it will] have no effect, says the Spirit of Grace.

Dear Revivalist, we will come with all certainty to our final destination. We will have this outpouring, but thank God for the testimony of the Holy Spirit who is continually reminding us that the things that are happening around us are not just happenstance. They are not always just coincidental or some random thought or dream that approaches our life. This is the actual spiritual warfare that contends with the saints on their march towards the great city called Revival. This is our promised land. We are God's seat of authority in the earth for this to happen.

THANK YOU HOLY SPIRIT FOR THE REPORT FROM BEHIND ENEMY LINES!

Candy and I love and appreciate you so much. Thank you for your love, prayers, and support as we go forth together in search of this spiritual city.

I will see you in the Revival!

Blessings,
Pastor Bronc
