### **Authority to Orchestrate**

*For have I not said in My word command you Me concerning the work of My hands? For I have placed within you the authority to orchestrate. The first Adam was given this, where he failed the last Adam brought back and restored to My body the power to administrate My authority on the earth saith the Spirit of Grace. So know this that if you will ask of Me, if you will bring them in, I will bring forth what I promised and what My Son gave His life for. If you fear out in the field asking them to lay hands on them, then simply ask them to come for know this that the first place and the first step to a miracle is to come before Me. And as many as you bring before Me do not doubt for you will see that in these last days that if you bring them in and command ye My hands upon them you will find, much to your surprise that time and time again great and notable miracles will take place in your sight saith the Spirit of Grace. Hallelujah! So go out into the highways and to the byways, ask of Me to bring people into your sphere of influence that you can say to them I know a God that can heal you and deliver you. And when you bring them expect Me to do just that and you will see that come to pass saith the Spirit of Grace. Hallelujah Jesus! Hallelujah Jesus!*

### **Path of Life**

*That you would understand the plans that I have for you saith the Spirit of Grace, not only in the world to come and the age to come but I have provided access in this life for things to get clear. When the enemy comes to steal and to kill and to destroy he comes with a confusion that makes life have no sense. The confusion that surrounds the body of Christ and the people that are trying to receive this path is to separate them from what was provided from the very beginning. Know this that on this path, the man that chooses this path chooses life. I came to give you this life and life more abundantly. (tongues...) For the things that you yourself would offer to yourself to fulfill your life and bring it to a whole often run its gamut and run to a dead end. But know this; things that I give you, things that I start you on, know this that there is no end to these things saith the Spirit of Grace. (tongues...) And know that on this path that there is no place and I said, "No place," that you will stop and say was that all? Was that all there was? Know this that you have not even begun to understand what is available in this life saith the Spirit of Grace. Hallelujah! (tongues...) For I desire to put you to bed and I desire to wake you up and I desire to be the spring in your step at the noonday and I desire to be the communion with you at all times, at all places, never void of peace and never void of communion. This is the path laid out for you saith the Spirit of Grace. Hallelujah Jesus!*

### **Heavenly Places**

*That you will follow this manner and practice this in your personal life you will find that I will honor your step of faith. Know this that faith without works is dead. The moment that you lift up your voice in the valley begin to praise Me as though you were already on the top, then I will have the authority to raise you up into heavenly places where you really are seated saith the Spirit of Grace. Hallelujah!*

**A Continual Flow**

*For it's in these times and these kinds of settings that I desire to come to you but you are the steward of your own destiny, know this that this common bond that you serve Me with in the Spirit called praise and worship it's the instrument of My grace to create inside of you a supernatural hunger and thirst whereby I am able to come continually for I am well pleased in all these things as I receive them out of the abundance of your heart. Oh but know this that the hunger is a supernatural hunger cultivate this in a place of intimacy continually because attached to this hunger, attached to this intimacy is all of your needs met according to My riches in glory by My very own Son. So continue on in well doing and do not faint by the wayside as some do not setting their heart upon the things above. Know this that these supernatural stirrings are for you to wait in My presence as long as you so desire I will continue to work and create the stirring inside of you that will continue to perpetuate forever a continual flow of grace and glory and My natural supply to you saith the Spirit of Grace. I worship You Jesus! Hallelujah! Hallelujah Jesus!*

**Ordained Prosperity**

*Things are turning saith the Spirit of Grace. Know this that even when wickedness rules and reigns on the throne of the world's system that I have a supernatural system that can trump the wisdom of this world. And know this that I will have My outpouring saith the Spirit of Grace. (tongues..) So take hope little ones because the return of the prosperity by which you desire to walk in is not on its way, confess that it is among you saith the Spirit of Grace. Confess it is among you. (tongues...) And for some, as I have said in days gone by. that if I could show you that level of prosperity that I have ordained for you, you would fear and tremble. But know this, be faithful and determine that when things return as they should be that you have already set your compass inside of yourself to be that steward that will bring forth all the way to the end saith the Spirit of Grace. Hallelujah! Blessed Be the Lamb! Hallelujah!*
